Treasurer

February 15, 2007

Honorable William J. McCoy
Speaker of the House of Representatives
State Capitol Building
Jackson, Mississippi

Dear Mr. Speaker:

As you know, the Senate last week passed three very significant pro-life bills, SB 2795, SB 2801, and SB 2391. We encourage you to counsel strongly with the committee chairman handling these bills and urge him to allow the process to work in such a way as fairly to allow all House members to have a voice in deciding whether these bills should become law.

Mississippians of all persuasions have applauded the consistent pro-life commitment you have demonstrated through the years. You may be assured that the undersigned Republicans will stand with you in support of these important Senate bills. Please do all that you can to make sure that these measures are brought forward for a fair debate and final vote on the floor of the House.
